**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,  
Please keep the competition. Comcast and AT&T are out of control with their high prices and limited offerings.

Internet (and especially broadband) is no longer a luxury, but rather a necessity for every home, business, government and non-for-profit organizations. So the more competition the better the market place will be.

Say NO to price hikes. THANK YOU.

Sincerely,

Happy Sonic customer (former customer of Comcast and AT&T)
